RSE in year 5

In the Summer Term:

We will be teaching the children about puberty - the physical changes that our bodies go through including: periods, body changes, body hair and hygiene

Boys and girls will navigate these lessons in separate classes. Additionally, we will teach the boys about puberty for girls and the girls will learn about puberty for boys

Videos that support our lessons will be sent home prior to the lessons so you can understand what we cover

Housekeeping: reminders

How can you support your child @ home?

- Throughout the year, keep learning the y5/6 spelling words - these came home last week
- Read with your child @ home - they should read **ALOUD** and record this in their log (both school reader & their choice of book) ASK questions to check for understanding
- Keep checking the Google classroom for homework tasks and additional messages
- Encourage your child to tackle the homework tasks - allowing them to explain their work to you
- Telling the time and revision of times tables continually

Thank you

- **We hope this was useful, please feel free to email any further queries to us and we will get back to you as soon as we can. Thank you for your continued support.**
