School Vision Statement

Inspiring, nurturing and educating our children to serve God by reaching their full potential, serving our local community and by looking after our environment as global citizens of today and tomorrow.

School Mission Statement

'Love your neighbour as yourself.'

Luke 10:27

School Core Values

'Faith, Hope and Love'

1 Corinthians 13:13

School Values to Support Learning and Behaviour

Truthfulness, Creativity, Compassion, Friendship, Teamwork, Respect, Perseverance, Responsibility

School Aims

To provide a school that supports children's development through its' Christian foundation.

To create an environment in which each child's potential can be realised, academically, socially, creatively, physically and spiritually.

To organise a safe and happy school where everyone is valued and respected and their individual qualities and creativity are recognised and celebrated.

To build a team of experienced committed and caring staff with a broad range of expertise and meeting the needs of the children.

To work with all members of the school community to provide challenging learning targets appropriate to each individual child.

To develop the children with a broad and balanced curriculum in order to create a firm foundation for children's future education and life.

To encourage all children to adopt and maintain safe and healthy lifestyles.

To foster in children, the qualities of self-belief, care and consideration for others, and to encourage high expectations in all areas of school life, in order to equip them to be good citizens for the future

After Ofsted Inspection in January 2013 St. Bridget's Primary was judged to be outstanding in all areas.

A full report is available from the school website.

"All pupils achieve extremely well and reach standards that are well above average in English and Mathematics. The rates of progress pupils make are more rapid than at the time of the previous inspection.

Teaching promotes outstanding learning and progress. Careful planning and attention to individual needs mean that all pupils thrive and want to learn.

Excellent support for disabled pupils and those who have special educational needs ensures that they make very good progress and are fully included in the school.

Pupils' behaviour is excellent. They are polite, considerate and work hard. Older pupils carry out many roles and responsibilities and this prepares them well for their future lives. They know and understand how to keep themselves safe."

On 01 February 2018 the Diocese of Chester conducted an inspection and judged the school to be outstanding in all areas. A full report is available from the school website.

- The distinctiveness and effectiveness of St Bridget's as a Church of England school are outstanding
- School leaders have a compassionate and highly ambitious Christian vision for the school community, leading to a shared culture of purpose and achievement.
- Spiritual, moral, social and cultural development is woven through school life. The school's Christian character promotes a deeply held respect for diversity and equality. Pupils are strong advocates for social justice.
- Collective worship is highly valued and themes inspire a deep level of spiritual and moral reflection which impacts strongly on pupils' personal development.
- The school is highly valued by its community. Partnerships are exceptionally strong, inclusive and mutually beneficial.

School & Church Together

Our superb links between school and church really help us to fulfil our Vision and Mission Statement throughout the school day. Being a church school informs our ethos and our values. It also has a positive impact on children's well-being, behaviour, attitudes and relationships.

School staff and church members work together closely to ensure that our Christian ethos is a real and intrinsic part of school life through our curriculum, worship, events, clubs and relationships. Children attend church services to celebrate major festivals of the church year, we welcome parents and families along too. Reverend Alex is a familiar face in our school, sharing in collective worship, School Council meetings and supporting staff.

Children have opportunities to live out our School Vision Statement through our links with our church community, for example, serving refreshments at the weekly community cafe at the St. Bridget's Centre and supporting church's initiatives.

Message from Rev. Williams

It is a privilege and a joy to be closely involved with the life of St Bridget's school. As Rector of the parish, a school foundation governor and member of the Christian ethos committee I experience first-hand the positive impact on the children of being part of a vibrant Christian community. My aim is to offer support to staff, children and their families and help them explore the big questions about life and faith so that together we can live out our aim to 'love our neighbour as ourselves'

Pastoral Care & Discipline

To ensure that your child's interests are best served we hope for maximum co-operation between school and home. All parents can see the class teacher or head-teacher whenever necessary, subject to availability. School promotes positive behaviour through implementation of the behaviour policy. Most sanctions against children take the form of additional work at playtime or lunchtime, loss of some outdoor play or the loss of some Well-Being Time (previously known as Golden Time).

We have two Parents' Meetings each year to discuss your child's progress with their teacher(s). Appointments are sent out in advance and we encourage attendance. Key Stage Two children are invited to join their parents at these meetings, however, this is at the discretion of the parents.

Collective Worship

Collective Worship forms an integral part of the school day. Our worship allows us to feel connected whilst giving us valuable time to think, pray and worship. Both children and staff enjoy our Collective Worship and value them greatly. Collective Worship comes in many forms and often contains the following: story-telling, bible readings, prayers, singing, quiet time, videos. Collective Worship is a team effort, staff and children lead our Collective Worship together.

If your child is unable to take part in Collective Worship please speak to Mr Le Feuvre.

Special Educational Needs

Our aim is to ensure that we meet the needs of all individuals within our school. Occasionally, some children experience greater difficulties than average to those in the same age group; these children are then offered extra support in their work and may sometimes be identified as having Special Educational Needs (SEN).

Our school follows the SEND criteria set by the Local Authority. We implement the **SEND Code of Practice** and children with difficulties are placed on the school **SEND register**, which is confidential to teachers and parents. Their progress is closely monitored and reviewed at regular intervals by our **SEND Co-ordinator**, the Local Authority **SEND Support Service** and **parents**. School is also able to access many support agencies in order to support children with specific difficulties.

Work and teaching practice, such as questioning in class, is **differentiated** in order to meet the needs of all children, including the most able. Wherever possible, children with SEND are supported in their work. Most of the time this occurs within the classroom, but on occasions it may be necessary to withdraw children individually or in a small group.

The Local Authority supports children with an Education Healthcare Plan or Pupil Funding Agreement and school is happy to work alongside the specialist support teachers in devising and implementing **Additional Support Plans (ASP)** in accordance with the Code of Practice.

Parents are invited to discuss the Support Plan/s. To ensure continuity SEN records are held by the class teacher and SENCo, these are available for parents to view by appointment with school.

Our SENCo is: Mr A Coughlin - senco@stbridgets.wirral.sch.uk

For further details, see our website: http://www.stbridgets.wirral.sch.uk/website/send_info/31281

Equal Opportunities & Accessibility

In line with the school's commitment to the needs of individual pupils, all subjects within the National Curriculum are open to all pupils, no matter their gender, on an equal basis.

All children regardless of disability or ethnicity will be provided with the same opportunities to learn. We will endeavour to make all aspects of school life accessible to every child within our care. We have two stair lifts and an external ramp to enable accessibility to all parts of the school. We also have a medical room designed to support children with specific needs.

Being a Rights Respecting School

At St. Bridget's we are exceptionally proud of being a Rights Respecting School. We gained Level 2 or Gold status in 2017 and we continue to build on this solid foundation where children's rights are at the heart of everything we do.

What is the Rights Respecting Schools Award (RRSA)?

The RRSA is an initiative created by UNICEF to ensure that schools embed a culture where children know their rights and are fully aware of the United Nations Convention of the Rights of the Child (UNCRC). This document was created in 1989, seeking to ensure the Protection, Provision and Participation of all children.

What does it mean to be a Rights Respecting School?

Being a Rights Respecting School means:

- All stakeholders in our school know about Human Rights and Children's Rights. All stakeholders are aware of the UNCRC.
- Children at our school consider the difference between Wants and Needs.
- Each class devises its own Class Charter setting out guidelines of behaviours and attitudes based on mutual respect for each other.
- Our evolving curriculum considers Rights at its very core. Children naturally consider aspects of Social Justice and Courageous Advocacy.
- Policy and Practice reflect the articles of the UNCRC.
- Whilst our children are informed, enthusiastic and hopeful about Children's Rights, they can also recognise when these are not being met or have not been met...giving them a unique global and historic appreciation, but also an assertive vehicle and language by which to express their own needs.
- We support other schools in their Rights Respecting journey.
- We have a unique, Christian perspective in linking Human Rights to God's love and being part of God's Kingdom.

The Curriculum

At St Bridget's CE Primary School, we aim to give each child the best possible education. A conscientious, caring staff makes an excellent blend of traditional and modern teaching methods.

In line with the **National Curriculum** we cover the core subjects:

ENGLISH (reading, writing, grammar, punctuation, spelling (GPAS) and speaking & listening), **MATHS** and **SCIENCE**, as well as the foundation Subjects: **History, Geography, Computing, Design & Technology (D&T), Music, Art, Physical Education (PE), Religious Education (RE)* & Spanish/MLF (Modern Foreign Language).**

The children are assessed at two stages in the primary sector; at the end of both Key Stage 1 (Year 2/ages 6-7) and Key Stage 2 (Year 6/ages 10-11). Assessment will, of course, be continuous throughout the stages, but reported to the Department of Education (DfE) at the end of each Key Stage. For each subject and each Key Stage, programmes of study set out identifying what the pupils should be taught and attainment targets set out the expected standards of pupils' performance. Detailed guidelines in all subjects have been issued and school has threshold concepts and milestones that illustrate progression throughout the school journey. Further information can be found on our website at:-

https://st-bridgets.eschools.co.uk/website/curriculum_/70096

In addition, all children use technology regularly. We have 34 computers in our computer suite, and 58 iPads that connect via Wi-Fi. We ensure that children have regular opportunities to use them, aiming towards computer literacy.

At our school we follow the HEARTSMART Scheme of Work to support pupil's emotional development and relationships. HEARTSMART is a primary school resource that builds resilience, emotional intelligence and active empathy in the hearts of children. It is a creative way of enabling children to adopt a growth mindset whilst maintaining a healthy emotional epicentre. It works on the idea that meaning comes from relationships and every child is worthy of relational connection. HEARTSMART is therefore about loving and accepting ourselves as well as loving and responding well to others. The HEARTSMART programme is a 'whole school' approach where the children focus on a particular topic each half term, these are:

- Get HEARTSMART
- Don't Forget to Let Love In!
- Too Much Selfie isn't Healthy
- Don't Rub it in Rub it Out!
- Fake is a Mistake!
- No Way Through isn't True

These lessons are carried out through a variety of learning styles and often include a cross-curricular approach whilst maintaining a positive biblical link.

St Bridget's is a Rights Respecting School. Our pupils are made aware of the United Nations Convention of Rights of the Child (CRC) and as a school, we focus on the different articles of the CRC.

In order to support our pupil's relationships and sexual education a sensitive programme of work is delivered in Years 5 and 6.

Our children benefit from professional MFL tutors who teach our KS2 children Spanish. At St Bridget's our MFL Curriculum is delivered by language specialists from Kidslingo. Children from Years 3 to 6 have weekly Spanish lessons which focus on establishing a solid foundation across the skills of speaking, listening, reading and writing. We aim to develop a love of language learning through our fun and interactive lessons. We take opportunities to enhance the children's learning, such as through Year 4's Spanish Café and also our links with Secondary schools.

Within our music curriculum, children are introduced to a wide range of musical genres from all over the world. They have opportunities to develop their listening, performance and composing skills within their weekly classroom music lessons. Children in Year 4 also learn to play the recorder and ukulele. In addition, we enjoy the services of peripatetic teachers of the violin, drums/percussion, piano and guitar for interested children from Year 3 onwards. The children at St Bridget's get an opportunity to hear concerts and see plays when performers visit the school.

We aim to provide the broad base on which later education will be founded. It is in the primary stage when education can be given a more individual approach and many opportunities are available for children to work at their own rate.

If you are eligible for Pupil Premium you will be entitled to subsidised music lessons.

Parents are invited twice a year to discuss their children's progress with the class teacher and/or see their work. However, it is possible to make an appointment to see either the class teacher or headteacher should interim problems arise.

All children make at least one educational visit a year, depending upon the studies being undertaken.

** School has devised a scheme of work for RE using both the Local Authority Agreed Syllabus and the Chester Diocesan Guidelines. Further information can be obtained from our Headteacher.*

Further information on our curriculum vision, intent, implementation and impact can be found on the school website at: https://st-bridgets.eschools.co.uk/website/curriculum_/70096

Homework

Homework is set on a regular basis, and all children will be expected to practise reading and to learn spellings and tables. Other work to be done at home will tend to involve research work for topics, book reviews, remedial and supplementary work. Homework is normally given on a weekly basis to allow flexibility for after-school activities. We endeavour to use playtimes and lunchtimes to complete unfinished class work, but if necessary, this will be sent home for completion for the next day.

We expect the children to work as hard as they can within school hours and this consistent effort will ensure that they have covered all the work required by both the National Curriculum and secondary schools.

Parents can help considerably if they encourage these activities and provide a quiet environment for the children to work at home. We ask that their work is checked, especially for legibility and neatness and counter-signed by a parent when appropriate.

Admissions Policy

St Bridget's C of E Primary School is a Voluntary Controlled school. The admission arrangements are the same as in Community schools where the **Local Authority is responsible for all admissions.**

RECEPTION (FOUNDATION 2)

Children usually start school in the school year (September - August) in which they will have their 5th birthday. Parents will be required to apply for a place at our school between the 1st September and 15th January (at the latest) in the school year before they are due to start school (If your child is 5 between 1 September 2024 and 31 August 2025 you will need to apply for a place at our school between September 2023 and January 2024) **this is done through the Local Education Authority and not by school.**

Children whose parents have applied in this way and live in our catchment area ¹ will most likely be offered a place. The new code of admissions however means we cannot guarantee this, due to variations in parental preferences.

We have 60 places available each year in Foundation Stage.

KEY STAGE 1 (YEARS 1 & 2)

Children whose parents wish them to join our school during these years, and live in our zone will be granted a place only if there are less than 30 in these classes (60 in the year group) - **THIS IS A GOVERNMENT MANDATE.**

Again, children living in the catchment area will have priority.

KEY STAGE 2 (YEARS 3, 4, 5 & 6)

Children requiring a place in one of these years, and who live in the catchment area, will usually have a place.

OUT OF ZONE ADMISSIONS

All families who request an out of zone admission place will be considered for a place only if there are vacancies.

Out of zone applications will be given priority by the Local Authority in the following order:

- children who are looked after or were previously looked after by a local authority;
- children who already have older brothers or sisters currently at the school and living in the same household when they are due to start school;
- children with particular medical or social needs;
- children living nearest to the school (but out of area).

Further information about school admissions can be obtained from **Pupil Services** on 0151 666 4221

See Page 21 for St Bridget's school zone list

School Meals

St Bites' Kitchen

We have a desire to provide the best quality food and service at an affordable price. We are able to cater for all dietary requirements, be it allergy or personal choice. The wide and varied menu is run over a 4 week period and can be found on the school website. Currently the cost is £2.30 for lunch without a drink (water is available on each dinner table)

The cost for lunch is payable via our online payments system each child will be given a personal log on for parents to use.

Please note that all Key Stage 1 children are now entitled to a Free School Meal.

Alternatively, your child may bring a packed lunch. All packed lunches need to be sent in a container that is clearly named, so they can be safely stored in the classroom during the day. No sweets, nuts or fizzy drinks are allowed.

Any parent in either KS1 or KS2 requiring consideration for free school meals should contact the Schools Welfare Section at Hamilton Building, Conway Street, Birkenhead by calling 0151 606 2002 alternatively Parents can apply online

at: <https://www.wirral.gov.uk/schools-and-learning/funding-and-financial-support/free-school-meals-pupil-premium> or use the form available on the school website at:

https://st-bridgets.eschools.co.uk/website/school_lunches/216470

Parents should claim for free school meals IF they meet the eligibility criteria EVEN if their child would receive a free school meal anyway under Universal Infants.

Drinks & Snacks

Children in Reception have a mid-morning drink of milk (free) or water. Children in Year 1 can have milk at mid-morning break if they wish (paid for termly). Each day fruit or a vegetable is provided for children in Reception, Year 1 & 2 - usually apples, small oranges, pears or bananas, carrots or tomatoes. All children are encouraged to bring bottled water in named containers.

St. Bridget's Buddies, Before and After School Club has been running since September 2019. The club uses a classroom not linked directly to a class that also has its own entrance.

- Before school child care starts at 7.45am to 8.50am after which children are taken to their classes.
- After school child care starts at 3.30pm to 5.45pm Monday to Thursday (Friday 5.30pm).

For more information, contact the manager: **Clair Redgrift**: 07985 657578 or at: buddies@stbridgets.wirral.sch.uk

Chair of Governors-Mr David Pastor

Vice Chair-Ms Emma Haddley

Our Governing body, was re-constituted on 7th July 2015 under new Government regulations and now comprises of:

4 Foundation Governors

Rev. Alex Williams

Mrs Imogen Longmore

Mr Nick Ledingham

Prof. Stan Metcalfe

1 Headteacher Governor

Mr Neil Le Feuvre

Associate Governors

Mr R Neal & Mrs R Ross

3 Co-opted Governors

Mrs Sarah Collins

Mrs Kate Brandreth

Vacancy

1 Staff Governor

Mrs Lyndsay Ashton

1 Local Authority Governor

Mrs Victoria Cassidy

6 Parent Governors

Mr David Pastor

Mr Doug Janikiewicz

Mrs Chistine Morgan

Ms Emma Haddley

Mrs Anjali Main

Vacancy

Parent Governors are nominated and appointed by school parents and when necessary an election for a new parent governor would take place. Further details about our governors is available in school or on the school website. Contact for all our governors is via the

Clerk to the Governors: Miss S Marriott or school office on: - 0151 625 7652

St Bridget's School Parents' Teacher association was formed in April 1980 the membership includes all parents and some members of staff represented by an elected committee. The aims of the PTA are primarily social and fund raising with the help of parents throughout the school.

There are a great number of events organised by the PTA from craft projects raffles, competitions, Easter activities, school discos, and a Christmas fair right through to evening socials and formal dinner dances. The events are always well attended and make for brilliant ways to meet other parents as well as helping to raise money to enrich school life for all. Recently, the parents of the school through the PTA have raised funds to help provide a wide variety of equipment that might not be readily available through normal funding channels. Both playgrounds have had significant makeovers including the addition of a beautiful peace garden and thermoplastic colour lines, play diagrams and picnic tables which have been a huge hit with the children, staff and parents alike. New hoodies for the talented children of the choir, new maypole dresses for our squad, learning resources IT robots and VR equipment, bike/scooter racks, computers, iPads, chess clocks, football goals and the outdoor wooden play equipment have all been purchased through funds raised at various PTA events.

Your continued support and enthusiasm will mean that these added extras can continue to be provided for the benefit of the children at St Bridget's.

The PTA Annual General Meeting is held in October. All parents, new and existing, are very welcome to attend. There is also an informal new parents' welcome evening where you can come along to meet the committee members and existing parents and ask any questions you may have. If you have an idea for fundraising you don't have to be a committee member to set it in motion, simply contact the PTA and someone will be more than happy to help you get it started or give you advice on what to do next. Anything you can do to help has a huge impact on the success of the Parents Teacher Association. Welcome to St Bridget's, we look forward to seeing you. Contact us at: stbridgetspa@gmail.com Facebook- St Bridget's Parents Association Group

Sport

St Bridget's has been awarded the 'Goldmark School Games Award' in recognition of the school's provision both within and beyond the curriculum. We have always taken a full part in inter-school sporting activities, we feel this is an important part of our personal and community involvement both during and after school.

In Years 3, 4 & 5, all the children have daily swimming lessons during a two-week block (in each of these years).

We enter local football tournaments and have previously competed in Wirral Schools Football, Girl's Football and Sportshall Athletics. We also compete against other schools in a large range of sports such as Tri Golf, Netball, Dodgeball, Kwik Cricket and many others through our collaboration with Edsential.

During 2009/10 we became a 'Bike It School' with the full support of the Charity SUSTRANS; we had already achieved the Bronze Award and gained the Silver Award in 2013.

All Children are taught Gym, Dance and Games. The Key Stage 2 children are taught a variety of team games including: Football, Netball, Rounders, Rugby, Hockey, Athletics and O.A.A.

Extra-curricular activities which include: athletics, maypole dancing, football and cross-country are available during the year. We also offer before and after school courses in a range of sports such as Judo, Fencing, Karate, Street Dance, Basketball, Tennis, Cricket, Handball, Gymnastics and Multiskills amongst others for different year groups through the year.

Extra Curricular Clubs

Throughout the year a variety of extra-curricular activities are offered to children across our school. Some of these are provided free of charge and run by school staff, some are chargeable and are delivered by outside providers. These are run before school, at lunchtime or after school.

We aim to provide a variety of extra experiences and challenges to complement our school curriculum. Activities are usually targeted at particular age groups and are run for a half term.

Activities offered before and after school during 2022 -2023 included: - judo, gymnastics, dance, chess, choir and at Lunchtime, Spanish with Kidslingo, for children from Reception to Year 2, involving singing and drama.

The Arts

Article 29 (goals of education) Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Article 31 (leisure, play and culture) Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

At our school, our Mission Statement, Vision Statement and School Values permeate every aspect of school life, a crucial part of fulfilling our aims, vision and values is our role as a **Rights Respecting School**. This UNICEF campaign allows us to put human rights, and particularly children's rights at the heart of everything we do. From an early age our children are asked to consider the difference between "Needs" and "Wants". Our pupils are fully aware of the United Nations Convention of the Rights of the Child and know many of the articles in this document. We are recognised as a Level 2 Rights Respecting School, the **Gold Standard**.

Our work with the RRSA movement has proved a superb and tangible vehicle to support the Christian values of our school. More recently, it has enabled us to build our curriculum around the Global Goals so that our children can really fulfil our school Vision Statement. Please ask Miss Smith if you would like any further info or feel you could offer support in this area.

All children are actively encouraged to participate in and appreciate the Arts. Singing and music plays a huge part in our school, we sing every day and we appreciate the value and joy of expressing ourselves through song.

As a school we are striving to be Global Citizens, taking a particular interest in our local environment and further afield in our conservation projects including 'Coast to Coast' and 'The Chester Zoo Project'. We will be working closely with Chester Zoo and other schools and agencies to create a whole school arts project.

Outside of the curriculum, children in KS2 (Years 3 - 6) can take part in our school choir. There are no auditions - just enthusiasm required! These children perform at different concerts and festivals throughout the year. They also support whole school singing, in our Collective Worship and church services.

In Years 3 - 6 children can choose from a number of different musical instruments to learn with lessons from visiting peripatetic teachers (lessons are chargeable). These include string, piano, and percussion. When appropriate, visits are arranged to concerts, local art galleries, historic houses etc, as part of the school day. Musicians also visit school on occasions to deliver performances and workshops with the children.

Dance plays a major part in our PE curriculum and children throughout the school are encouraged to express themselves through movement. Dance modules are often linked to the children's work in other subject, for example, Volcanoes in Year 4. Extra curricular dance clubs take place before and after school which include Maypole and Street Dance.

School Day

Things You Need To Know

These are kept to a minimum but are designed for the mutual benefit of all pupils. Children are informed of any rules that we feel the need to make.

Written copies of all rules are issued to families periodically and are always available in School.

The main points are:

1. School sessions:

Mornings:	8.45am - 12noon (KS1)	8.45am - 12.15pm (KS2)
Afternoons:	1.10pm - 3.30pm (KS1)	1.15pm - 3.30pm (KS2)

(Children arrive between 8.45am and 9am)

Excluding assembly time and breaks, children are in class for 4.5 hours daily at KS1 & 4.75 hours at KS2.

2. No child may leave school premises without prior arrangement whilst school is in session. We would hope that necessary appointments could be made out of school hours as far as possible. Children must be collected from the office by a responsible adult and the appropriate form signed at this point. If they return to school on the same day after the appointment, the carer must bring the child back into school and re-register at the office.

No child should be left to come into school alone. This is to comply with Fire Regulations.

3. No child should arrive in school before 8.45am. Neither Wirral Borough Council, the governors nor the school staff will accept responsibility for any loss or injury sustained by your child on the premises before this time or after 3.40pm unless attending an organised 'pre' or 'after-school club', or if the carer is meeting with a member of staff.

Please note: Before and after school club details (see page 10)

4. All children should arrive punctually: **anyone arriving late must be accompanied by an adult, enter school through the main entrance and inform the office. The accompanying adult should sign in their child(ren),** again in order to comply with our fire regulations. **ALL VISITORS (INCLUDING PARENTS) TO SCHOOL MUST ENTER VIA THE MAIN ENTRANCE & REPORT TO THE OFFICE.**

5. School uniform (see Page 16) should be worn at all times and all clothing, bags, wallets, purses etc should be clearly named

6. *** named items are much more likely to be returned *** No sweets, toys, jewellery, or mobile phones/electronic devices (including smart watches) etc., may be brought to school unless special permission is given by the class teacher.

7. **Supporting Children with Medical Conditions** (both short and long term).
Prescription and non-prescription medicines will only be administered at school when it would be detrimental to the pupil's health or school attendance not to do so and where we have parents' written consent. The only exception to this is where the medicine has been prescribed to the pupil without the knowledge of the parents. Pupils under 16 will not be given medicine containing aspirin unless prescribed by a doctor. Anyone giving a pupil any medication (for example, for pain relief) will first check maximum dosages and when the previous dosage was taken. Parents will always be informed. Where clinically possible, medicines should be prescribed in dose frequencies which enable them to be taken outside school hours. The school will only accept prescribed medicines that are: In-date, Labelled, Provided in the original container as dispensed by the pharmacist and include instructions for administration, dosage and storage. The school will accept insulin that is inside an insulin pen or pump rather than its original container but it must be in date. All medicines will be stored safely. Pupils will be informed about where their medicines are at all times and be able to access them immediately. Medicines and devices such as asthma inhalers, blood glucose testing meters and adrenaline pens will always be readily available to pupils and not locked away. Medicines will be returned to parents to arrange for safe disposal when no longer required. Sharps boxes should always be used for the disposal of needles and other sharps.
Further information can be found in our [Supporting Pupils with Medical Conditions Policy](#) on the school website
8. You are requested to notify the school office on the first day of your child's absence. A written letter of explanation (to the class teacher) is required on the day your child returns.
9. You are requested to avoid taking holidays in term time as it is disruptive to your child's education. All children receive holiday lists, duplicates are available in school and are on the school website and in the school prospectus. The school website calendar has up-to-date school information including; holiday dates, parents' evenings, sports' days and various other school dates.

Extra Guidance for parents please consider these points;

- a) The new National amendment from September 2013 states that; Headteachers may **not** grant any leave of absence during term time unless there are exceptional circumstances.
- b) Headteachers should determine the number of school days a child can be away from school if the leave is granted.
- c) Should this request not be granted, time taken will be classed as unauthorised absence and will automatically appear on the pupil's record and also affect our statistical report to the DCSF.
- d) The completed form should be returned to school **prior** to the date for which the leave of absence is requested.

School Visits

In order to cover the costs of most school trips, we need to request voluntary contributions from parents. No child will be prevented from going on a visit, but all visits are dependent upon school receiving sufficient contributions. Payment for residential visits in Year 4 & 6, however, requires full payment. Should you have difficulty in meeting this cost, please discuss this with our headteacher.

School Uniform

We would be grateful if parents would endeavour to dress children in our school uniform.

Grey trousers - long or short trousers

Grey pinafore dress or skirt

Grey jumper or cardigan

Royal blue, green & yellow tie**

White shirt or blouse

Brown or black shoes **suitable** for school should be worn - with appropriate socks or tights. Trainers are **not** acceptable, **nor** are fashion shoes/boots. **No sandals or open toed shoes.**

FS2 CHILDREN

FS2 children can wear St Bridget's polo shirts instead of white shirt and tie **all year.**

SUMMER WEAR (after the Spring Break until October Half Term)

Pupils who wish to can wear a blue/white check or blue/white striped dress/culottes during the summer months.

Pupils may wear a short-sleeved, collar-attached white shirt or a St Bridget's polo shirt.

If a child is performing in our school orchestra, choir etc at a special event, we ask that appropriate school uniform is worn with a **long-sleeved** white shirt or blouse.

Parents of FS2 children are asked to purchase a **named** school bag to carry books etc home, these should be brought to school daily.

KS2 children can bring a **small** pencil case with pencils, crayons, pencil sharpener, ruler & rubber.

All children require:

1. Yellow **T-shirt** **
2. Royal blue **shorts** **
3. **Pumps** for PE
4. **Short socks** to replace tights

When necessary. Trainers may be worn for outside sporting activities.

In the junior years trainers **are essential**. A plain blue, black or grey tracksuit would be an advantage for cold weather.

Football boots are **not** essential as substantial trainers will usually be sufficient.

5. A PE bag (available from the Parents Association) is essential to store these items as they are kept in school during term time if you require a new bag email:- stbridgetspa@gmail.com

EVERY ITEM SHOULD BE CLEARLY MARKED WITH YOUR CHILD'S NAME

NO JEWELLERY MAY BE WORN FOR SPORTING ACTIVITIES - THIS INCLUDES EARRINGS*

- should this not be possible, plasters or tape *must be* used to cover the earrings for PE, games, sports, swimming etc.
- ** Available from Larry Adams, 7a Banks Road, WK. (0151 625 9424)

Our School Travel Plans

Our school has a "Travel Plan" which has been established in an effort to reduce car congestion around the area of the school, to increase school safety and encourage more families to walk to and from school. **We operate a voluntary "ONE WAY SYSTEM" along Ludlow Drive, at the beginning and end of our school day.** Please enter Ludlow Drive at the entrance to Sandy Lane and exit on to Village Road.

Attention must also be drawn to the dangers for the children caused by a small number of thoughtless drivers (often parents) parking in the vicinity of the school. As a result, between 8.45/9.00am & 3.15/3.45pm, the immediate area will be closed with cones provided by the police. Traffic wardens regularly visit the roads on either side of the school at the beginning and end of the school day. Please help us to safeguard our children by parking considerately and walking the short distance. Your child's safety is of paramount importance to us all and there is no space for cars by the school gates, especially at the times when the majority of children arrive and leave.

PARENTS ARE REQUESTED TO MEET CHILDREN ALL CHILDREN IN THE JUNIOR PLAYGROUND AFTER SCHOOL.

Foundation Stage (Reception) children are brought to the playground by their teacher at 3.20pm ~ KS1 children are brought to the playground by their teacher at 3.25pm ~ KS2 children are brought to the playground by their teacher at 3.30pm.

ANY CHILD NOT COLLECTED WILL BE BROUGHT BACK INTO SCHOOL TO AWAIT THE PARENT/CARER'S ARRIVAL.

St Bridget's School History

A drawing of our school, building in 1968 - as seen from the junior playground

St Bridget's C of E Primary school is closely connected with the Parish Church of West Kirby. As a **controlled school**¹ it has have a fixed **catchment area**². The school has sole use of the field opposite the school gates and the old Rectory.

The present building, completed in 1968, is the fifth school on this site. The original school, dating back to 1825, was built onto the church. The benefit of church schools is the close link that they forge with the parish church and the family feeling that prevails. It is hoped that this early link will help the children in later life. At this time, St Bridget's School was built as a one-form entry (3 infant and 4 junior classes), but since 1968 various additions have appeared. School numbered approximately 210 children in this year.

In 2009 two classes were added to the main site so there was no longer a need to have two classes in the new Church Centre. At this point there were 14 classrooms (most of the classes are housed in the main building). Class 3 was taught in the mobile classroom in the infant playground.

In 2017 the mobile class was knocked down and two new classrooms for the reception classes were built. School pupil numbers this year were 430.

1. A Controlled Church of England School (no less than an Aided Church of England School) is a church school functioning within the partnership of the church and the local authority. Its Christian nature is an important aspect of the school life, the religious teaching is mainly in accordance with the agreed syllabus, but this may be supplemented by specific church teaching. Worship at its Collective Worship is linked with the worship of the church, in accordance with the provision of its Trust Deed. Under Section 9 of the 1988 Act concerning pupils' attendance at religious worship or education, the school will respect the rights of parents should they wish to exercise their entitlement to withdraw children from religious worship or education. These children will be able to read in the library adjacent to the hall.

2. see page 21

St Bridget's Schools

The original St Bridget's School dates back to 1825 and was attached to the west end of the north side of the church, near the tower. This was used as a schoolroom until 1848, when the "Old School" was built. The outline is still visible.

This "Old School" was used as a village school from 1848 until 1864.

This is the predecessor to the current school and was opened on June 4 1885. An infant section was built in 1899 and the school remained in use until 1968
