<p>Very happy with the teaching</p> <p>Lovely parents evening- great to get kids involved</p> <p>Lovely to hear such positive comments...and also to receive targets for improvement</p> <p>Thank you as always for a positive, well rounded parents evening. It is always nice to not only get an insight into work progress but also to visit the class room and see where the children spend their day.</p> <p>Reassuring to know he's settled well and on track</p> <p>Really valued. Didn't feel rushed, we were able to ask questions and left with a better idea of what the year ahead has in store. Appreciated very much that Mr Coughlin spoke about our daughter in a way that really demonstrated the care he has taken to get to know her as an individual and what makes her tick.</p> <p>Mrs Ross and Mr Neal were very helpful and informative as to how my son has been interacting and contributing in class. Thank you.</p> <p>Would be better to have held this later in the term so we can discuss academic progress and not just pastoral issues. Also prefer the old signup method... this new one didn't link up all my children on one login and was harder to review and select slots.</p> <p>Great that appointments run on time now!</p> <p>The child's report/feedback form they complete themselves is a great way to see how they feel.</p> <p>Thank you for your ongoing support.</p> <p>Always nice to chat to new teachers at the beginning of a new school year.</p>
