

## WIRRAL SCHOOL GAMES REPORT SEP-OCT 2013

### INTRODUCTION

The Sainsbury's School Games in Wirral is a unique opportunity to motivate and inspire thousands of young people across the borough to take part in more competitive school sport.

The Games are made up of three levels of activity: competition in schools (intra), between schools (inter) and at Merseyside level.

In Wirral the programme is overseen by your 3 School Games Organisers (SGOs): Megan Cheers (Wirral West), Joanne Newman (Wirral North and Central) and Kevin Byrne (Wirral South). The School Games workforce, however includes all of our amazing teachers, Heads of PE, young leaders and volunteers

This newsletter has been created by your SGOs to share and celebrate with you the impact of the School Games in Wirral so far this year
