*"Love your neighbour as yourself."*

*Luke 10:27*

3/11/23

Dear Parents and Carers,

## Be Safe, Be Ready, Be Respectful

Be safe is one of our three school rules and this month I am particularly aware of the darker evenings. The end of British Summer Time reminds me to encourage parents to help children wear something bright when travelling to school, such as a scarf, a hat or coat so that they can be more easily seen. I wish you all an enjoyable weekend and hope that if you attend a fireworks party that you are all safe. Please remind your child of the safety messages at this time of the year which are easily forgotten with lots of excitement.

## E-safety

Social media continues to be a challenge to keep up with. I have provided some information about Twitter's recent change to X on the website. Please use this [link](#) for what you need to know.

## Parking around School - concerns

This continues to be a challenge. I have been emailed with more poor examples of parking in the local area and I have contacted the PCSO to provide support on this matter. I appreciate the vast majority of parents park safely but we need everyone to.

## Parent Questionnaire

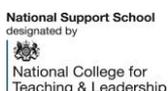

Please use the link to provide feedback for the school. All of the feedback we receive is appreciated and helps the school to make the best decisions for our children. Please use this [link](#) to access the questionnaire.

## Parent's Evenings

Teachers have completed the vast majority of their parent's evenings and were finishing some of these this week. Please contact school should you need a further conversation with the teacher.

## Staffing – vacancy

Caretaker vacancy - This vacancy is on the Wirral website.

**Dates for next half term – all of these will be added to the school calendar on the website**

**Mastering Number workshops for parents (school hall)**
