Great School, Great Teachers! How lucky we are!		
We couldn't always hear the teachers from the back!		
Very informative - wonderful enthusiasm and positivity from the teachers		
Was very rushed and I was only able to attend a small portion of it due to the time overlap with my other child's year group meeting.		
Excellent concise overview thanks to the staff for all they do		
Informative and helpful thanks		
I would rather just hear the teachers talk about their approach than sit through lengthy, detailed PowerPoint decks		
Good session. Many thanks.		
Thank you!		
Missed my other daughter's curriculum due to over running (which can't be helped as so much to get through) would perhaps an hour for each session be more suitable? Great talk though :) Thanks		
Very informative, thank you.		
The teachers were brilliant so supportive and aware of the parents' concerns, they were extremely open and approachable.		
Many of the parents had to leave the presentation half way through to be able to attend other presentations for siblings, which was not ideal, and the teachers had to rush through the slides. But overall, very informative, and it was a great opportunity to meet the teachers (as I work full time).		
It would be helpful not to overlap the times of the different years, for those of us with more than one child.
