- 100% of people understand the importance of e-safety and can support their child with it.
- 97% of people believe school supports their child in their wider development.

You said	We did
Due to staff illness in year 1 the parents meeting was not yet organised.	The live sign up for this class has now been emailed to all parents in this class.
Online parents' meetings have not allowed parents to see books	All parents will be able to come into school at the end of term to see books on Tuesday 19 th December 3.30pm to 4.30pm
Covid moved a lot of work on line and while there are many benefits to this that are appreciated by parents, it was noted that children have less opportunity to write.	We are reviewing our policy to identify opportunities to write rather than type for homework.
While parents appreciate some of the advantages of online parent meetings there were a number of parents that still express a preference for meeting face to face.	We will review our approach for the Spring Term.
There are lots of school clubs that cover sports, singing and chess but could we develop a club for art.	One of my staff is looking to start an art club in the Spring and will send out information before the end of term.

Some kind words...

- 'We are very grateful to the teachers so far who have been so kind, caring and patient as well as helping [our child] progress academically.'
- 'Our recent SENCO experience was extremely positive.'
- 'The use of Tapestry in providing a weekly overview of learning is really helpful. The homework is explained clearly so we are able to support at home.'
- 'I genuinely believe there is a strong positive culture in the school. [Our children are] having a fantastic time, growing and developing both academically but also socially. The extra-curricular activities are equally brilliant. I would really like to thank everyone for the work that goes into making the school such a lovely place for our children to learn and develop.'
- '...my children love school and we are very happy with their schooling.'
- 'Excellent teaching and teachers seem very caring.'
- '[My child's] teachers are brilliant - I feel they genuinely care about my child and want the best for her, they strive to include her in everything, they go above and beyond on a daily basis.'
