

# EXERCISE YOUR CREATIVITY

Create a picture of a healthy lunch/lunch box meal, or create a healthy recipe, and you could win funding for a transformation of your school playground, sports area or new vegetable garden! Runners up will win a selection of sports equipment for their school. Prizes are courtesy of Disney. A selection of the top entries will also be published in a recipe e-book. Entries will be judged by an expert panel including children's cookery author Annabel Karmel.

The deadline for entries is midnight on Friday 22nd November 2013.
