

St Bridget's C of E Primary School

FOUNDATION 2 PARENTS QUESTIONNAIRE RESULTS DISCOVER & DO AFTERNOON – SPRING 2019

This feedback form was aimed at F2 parents as a way of capturing their thoughts on their and their child's experience at St Bridget's.

Question Asked	Answered Yes	Answered No
Did you find the activities set up around the classroom helpful in understanding how your child learns?	100%	0%
Will this experience help you further to support the learning of your child at home?	93% (25)	7% (2)
Any other comments		
I was blown away with how awesome the resources are and how lovely the activities are. Learning made fun :)		
Such a lovely opportunity to see what they have been doing and for my child to proudly show their work.		
A lovely session that both the children and parents enjoy.		
Fantastic afternoon. Thanks		
A fantastic afternoon and opportunity for our children to show us what they have been doing. Thank you so much to Miss Cotterell and Miss Palmer.		
I think the children are so lucky to have such engaging tasks and such a variety too. The teachers work so hard and I am so impressed with how much they are doing for our children. I wanted to be a child all over again to be in this class!		
Incorporating maths into play, will do this at home. Also notice from workbooks that we need to practice writing numbers at home as have been focusing on letters.		
Very good session. Great to see what activities our children do in reception.		
Thank you for a great afternoon and the chance to get an insight into how the children spend their days at school. It was great to see the range of activities available including the outside area which my son really enjoys. The children seem very proud of their classroom and their maths and English work which is great to see. Thank you again for organising. We are looking forward to the next one in the summer.		
I really enjoyed attending the session, it gave me a great insight and better understanding into the activities that my son does on a day to day basis. Thank you to all		
Really enjoyed a lovely afternoon visiting my son's classroom. Really helped me to understand the sorts of activities he carries out to support his learning.		
Really enjoyed visiting and the opportunity to see how my son was getting on and what he gets up to whilst at school. It was also good to have the instant feedback from Miss Daltrey.		
Lovely session. It was informative and helpful to understand both what and how the children are learning at school. Thank you very much for organising it.		
Lovely to see how the children learn and see them in their classroom		
Really enjoyable. Great to see the little animals in their natural setting.		
I thought it was a tremendous effort, with SO many fun things to do I was sad when it ended we hadn't got round half of it yet!! My son had a brilliant time, I really enjoyed the last one but this one was better still, thank you!		
Lovely session - great opportunity to see how they are learning and getting on.		
Many thanks
